To preach the gospel in the regions beyond you...

August - September, 2022

Dear Pastors, Friends, and Churches,

It is good to be serving the Lord! God has been good to me by allowing me in His grace to begin well by being saved at the age of 20! As the years have gone by, now my only desire is that I want to finish well. Paul left the admonition in Colossians 4:17 "And say to Archippus, Take heed to the ministry which thou hast received in the Lord, that thou fulfil it." I want to fulfill the ministry that God has put me in!

Also, I want to thank each one of you for all the prayers, cards, and phone calls concerning my wife, Debbie. She has finished her radiation treatments and is doing well. She had some side effects from the treatment, but all in all she did really well. Please continue to pray for her as she will be taking a daily pill for the next five years to help her treat this type of cancer.

In October I made a trip to a Hispanic country. The people there are facing some serious issues, with no gas, diesel and blackouts, etc. I also want to share a story with you of a pastor there whose name is Isaiah. I have always been impressed with his ministry, demeanor and music in his work. He labors for the Lord in a very poor community. The sewage runs by his work and the place where he lives has a dirty creek. He gave me a thumb drive before I left that described his needs for the increase of believers at his work. Currently, they are meeting outside under a carport with a tin roof that is adjacent to his home which is located on a "converted hog lot". He and his family have been living there for the last eight years! The pictures on the thumb drive broke my heart.

Please understand, my purpose of writing is not to ask for help, but to thank all of you who have given faithfully to the needs of supporting these Cuban nationals all these years as they preach and reach their people!

The Caeble Family,

1 Samuel 12:24
