The Lord gave the word: great was the company of those that published it.

*Psalm 68:11*

June 2024

Greetings in the name of our Lord and Savior, Jesus Christ.

We trust this letter finds you continuing steadfast in the faith and looking for the coming of our Lord. Our heavenly father has been good to us in answering our prayers. In Avren the work on the church buildings continues. This past Sunday we were able to hold services there in the upper room. Below there is a room for the Turkish church to meet; there will also be a kitchen and bathrooms. It's been about two years ago that we first began to pray for the funds to do this work. Now, the work is almost complete.

The Turkish Bible translation work is nearly complete. This was a work started by missionary Ralph Cheatwood back in 1980. He spent over thirty years of his life working on this so that the Turkish people might have a reliable translation of the scriptures. For several years now the preachers in Bulgaria and Romania have been using his New Testament translation. We have produced these paperback New Testaments here in Bulgaria. Back during the Covid epidemic we began to pray about making an audio recording of the Bible so that those believers who never learned to read could at least listen to the word of God. The Lord has answered this prayer in part. The New Testament has been professionally recorded and is now available for listening on a website, also it can be heard on the internet radio in Turkey. The internet radio station plays the Bible being read eighteen hours a day. As soon as possible we would like to begin recording the Old Testament as well. This project will cost around twenty-five thousand dollars. We will need half of this by August in order to begin. Those of you who know the Lord, ask him to send it to us.

Thank you all for your continued prayer and financial support.

In Christ,

Zachary LeFevre
