Serving the Lord in BULGARIA and ROMANIA

March - April 2022

Dear Pastors, Churches, Friends, and Family,

Withhold not good from them to whom it is due, when it is in the power of thine hand to do it.

Proverbs 3:27

As of March 26, 2022, close to 120,000 Ukrainian citizens have poured over the borders of Bulgaria. About 55,000 have remained in the country. These refugees are in "our own backyard" which puts on us a burden to help them in their dire need.

Many of these refugees have left Ukraine in a hurry; exiting with only a backpack- leaving behind their families and homes. They have no idea when (if ever) they will be able to return. We missionaries, in Bulgaria, find ourselves in a place of unique opportunity to help these refugees during such a critical time.

Because of contributions from churches, family, and friends, we have been able to minister to these people who are being housed in: Apartments, Homes, Hotels, Vacant Buildings and Refugee centers.

We have purchased clothing, food, medication, and many other supplies throughout the month of March. We have personally delivered these supplies to refugees residing at these different locations. They have expressed their gratitude over and over again. We tell them that the churches and believers in America want to help them and are praying for them. That's when they start to cry. And we cry with them.

We are thankful to at last have gospel tracts in the Russian language. We were able to pass out hundreds of these at a huge "Peaceful Protest" in Varna, and at several refugee centers. We also slip a tract or scripture card in with supplies we give away. That gets interesting and creative. Some of the pictures included will give you an idea. Please pray for those who receive these "love notes" from the Lord. May He touch their hearts and may they understand that there is a God in Heaven that loves them.

We recently have had the opportunity to purchase humanitarian aid for hospitals and soldiers in Ukraine. The truck made it safely to its destination and from there the supplies were loaded into vans, and trucks, and taken to the areas that are in dire need.

Soon we will sponsor another truck into Ukraine that will be loaded with food and medical supplies. We are blessed to have this opportunity to help in this way. You, our faithful supporters, have made this possible. Thank you. From the bottom of our hearts, we thank you. The Ukrainian refugees, with tears in their eyes, thank you, too.
