Serving the Lord in BULGARIA and ROMANIA

"...one of his hands wrought in the work, and with the other hand held a weapon."

Nehemiah 4:17

Dear Pastors, Churches and Fellow Servants.

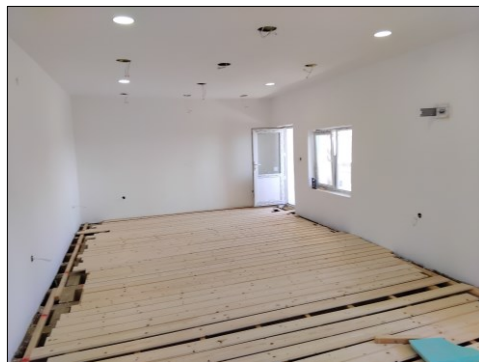

Greetings from the believers in the Lord Jesus Christ that are with us.

We have been extremely busy while renovating a Church building in Avrin, Bulgaria. From the demolition of the old structure to rebuilding the new one, it has taken a considerable amount of labor and strength. With God being in the center of it all it has been a blessing and a joy. Sometimes after we were finished with construction for the day we would go and hold our weekly meeting in Ynak. We literally had a trowel in one hand and a few minutes later we had a Bible, "the sword of the spirit", in the other.

I can't express the gratitude we have for all the help and prayers that many of you have had a part in with this project. We could not have done it without you all. May all the praise be to God who has made this happen. May this building always be to his glory and honor.

Below are some photos, which I thought you would enjoy seeing, of the construction work in Avren. God has been good to us in letting us see him work amongst us.
