"...he knoweth not how.

Dear Pastors Churches and Fellow Saints,

Grace be unto you and peace, from God our Father, and the Lord Jesus Christ.

In Thessalonica the apostle Paul thanked God because, when they received the word of God which they heard Paul preach they "...received it not as the word of men, but as it is in truth, the word of God, which effectually worketh also in you that believe." *1 Thessalonians 2:13*

God's word is different than man's word. God's words are alive. The Bible says "the of God which liveth". It's a great privilege to sow the word of God.

One day 44 years ago my Uncle Don sowed the word God and preached unto me the gospel. Somehow the word sprang and grew up when I believed.

Only God can give life to a seed. You can talk all you want about how a seed springs up, but it would never happen without God. As missionaries spreading the gospel of Christ we don't know how it springs up other than God tells it to spring up and grow. When someone puts their faith in the Lord Jesus Christ and receives him as their Lord and Savior, God speaks to that soul and says "Let there be light" and that person is transformed from darkness to the kingdom of God.

I would like to have you pray for these dear Christian friends of mine that help here in the gospel. Malcho and Kadria. They are a real blessing to all and God has really used them.

We covet your prayers.

All because of Calvary,

Matthew Welch and family
